The Only One Specifically
Designed for Impact Use!

"Our customer only uses the K30-2P's now."
- Owner of TNT Industrial Supply

"We used your bit on four boats, we usually
go through one or two bits per boat."
- Supply Manager for Sea Ray

"You've taken power bits to a whole new level."
- Ohio Distributor

"Haven't killed that bit yet!"
- Richie, Owner of First Commercial Construction

"They like them real good,
they're coming back for more."
- South Florida Distributor
